Subject: Declass of OEF RFF serial 1006

UNCLASSIFIED

(b)(6)

LTG Webster, ARCENT CG, is the investigating officer for an incident on potential misuse of Information Operations personnel/assets in OEF.

He wants the ability to use the attached document as a tab to his unclassified investigation results which could potentially be released to the media.

Please advise.

Very Respecfully,
(b)(6)
G2-OPS, ARCENT, Atlanta
