Declassification is a CCJ6 function – (b)(6) (cc'd) is the head.

I have a strong relationship with Ohio State, and I'm happy to act as a POC for Dr. Mansoor. Basically, he would have to tell us which documents he wants declassified and then Mr. Hinkle's office would review them.

I also cc'd (b)(6) since he is the expert on Petraeus papers.

Gen. Petraeus' staff in Kabul gave me your contact info regarding my request to have his Multi-National Force-Iraq documents declassified. With Gen. Petraeus' cooperation, ***I am currently writing a book on the history of the surge from 2006-2008***. I was his executive officer in Iraq in 2007-2008, and helped to gather the documents that eventually were transferred to CENTCOM when he assumed command in Tampa in 2008. Now that Gen. Petraeus is retiring, his documents will go to the National Defense University, but I understand that declassification authority will reside with CENTCOM.

I would be happy to send an official request to General Mattis regarding this matter. I was delighted to host him at Ohio State for a conference on hybrid warfare in the spring of 2010. Please let me know the best way to proceed.

Regards,

Dr. Peter Mansoor
