Dear Bob (and Cathy)

Thank you for driving me home!

Gen Mattis was so kind to offer, but I realized you two were passing my way
(plus I got to spend some more fun time with you guys)

I'd love to get together whenever your calendar allows?

Hope to hear from you soon.

And thanks again!

Hello, it was great seeing at Gen Mattis' home
Scott, Me & the girls are en route home from South Beach
(so fun!)

I wanted to invite you and your family to join us for our daughter Caroline's 6th birthday party on my front lawn
Sunday 10/30 from 2-5pm

The age group will vary since everyone is bringing their siblings, so I made activities for all age groups, including a live DJ!
(and an Open Bar for "us kids"! hehe! :-)

You'll recognize many faces of friends stopping by (without kids)
Love to have you guys join us!
Your friend,
Jill

Hi Debbie,
Just a follow up to your call....

The two board positions are:

Evelyn Davenport Bethune – has served two terms and must rotate off. Evelyn has recommended a young black woman (outstanding) to take her place and the Nominating Committee has concurred. She is Portia McKissic.

Angie Ammon – Angie's daughter died last year of alcohol poisoning and Angie has not been active since. Her focus has been on teenage drinking and she even appeared on the TODAY show last month. Angie is ending her first 3-year term and does not want to continue. Her brother Ralph Garcia has been nominated to take her place and he is a stand alone outstanding choice. He is very eager to join the board. The Nominating Committee has concurred.

Both of their resumes will be forwarded to you when we are ready to proceed.

We are waiting to hear back from **Jill Kelley**, whose first 3 year term is expiring. She was a wild card appointment from the mayor and has not been active or effective. However, we felt we should talk with her.

Best wishes,

Cynthia

Dear Commander Kang,

It was very nice to speak with you this morning regarding the visit with our distinguished visitors from Afghanistan, Nepal and Pakistan on Monday, May 14, to the International Coalition Village. I look forward to hearing from Ms. Martin regarding the security information she will require for us to gain access to MacDill for this visit. We are confirmed for a 4:15 pm arrival at the Visitor Information Center with the meeting with members of the Coalition Village from 4:30 pm - 5:30 pm.

As we discussed, this delegation consists of 3 distinguished visitors from Afghanistan, Nepal and Pakistan, who are in the United States as invited guests of the U.S. Department of States' International Visitor Leadership Program (IVLP) for an "Intra-Regional Trade and Commerce" Program. We are the official partner of the USDOS in the 7-county Tampa Bay region for the IVLP, hosting nearly 550 international visitors from 93 countries last year. I am attaching an overview of our organization which includes additional information about the International Visitor Leadership Program. Per your request, I am also attaching the bios for this delegation.

The theme of this program is "Intra-Regional Trade and Commerce" and the focus for this program is on nation building on a regional cooperative level. They are here in Tampa Bay to have the opportunity to interact with experts in this field from both the policy-making perspective and from the practical business aspects of intra-regional trade integration.

Please let me know if you have any additional questions, or you require further information.

Many thanks and kind regards,
Mary Ellen

Hey Jill,
Hope you are well. Miss seeing you.

In regard to the protocol office, that decision was made by the Chamber of Commerce who was responsible for coordinating those efforts and to whom Mrs. Bridgeford reported. Apparently there was a decision to go in a different direction with a greater focus on international trade development and business relocation. Obviously the honorary counsels will continue to be a part of that, but it was the consensus of all concerned that the job as had been originally envisioned, required a different skill set.

Dear Santiago:

On behalf of the Henry Plant Museum's Nominating Committee, I would like to request Mayor Buckhorn's support for two new appointments and four reappointments to the Board of Trustees.

OK Evelyn Davenport Bethune has served six years and her term will expire on May 31, 2012. The Nominating Committee would like to request that Portia McKissic be appointed to take Ms. Bethune's place.

OK Angie Ammon has served one term of three years and that term expires on May 31, 2012. The Nominating Committee would like to request that Ralph Garcia III be appointed to take Mrs. Ammon's place. Mr. Garcia is Mrs. Ammon's brother.

Their brief bios are attached.

OK Additionally, four board members are eligible for re-appointment. They are Jill Kelley, Bill Carson, Holli Morris and James Judy. We ask that all four be reappointed. Those terms would begin on May 31, 2012 and continue through May 31, 2015.

The last meeting of the Board of Trustees will be held on May 16, 2012. If possible, we would like to announce these appointments at that time.

Sincerely,

Cynthia Gandee
Executive Director

Dear Mayor Bob,
As you see on tv, my name (including Gen Petraeus & Allen)and home have been exploited by the media

I wouldn't care -if they got the facts right and focus on the criminal that stalked all of us. But the truth will one day prevail.
Nonetheless, my family has been put through the ringer, and my kids are scared.
And to put insult to injury, your police dept gave the local 911 tapes to the press!
My home address and cell phone number is played on them.
I have been receiving threats all night, by people that now have my cell phone number.
I cannot understand why your dept would release my address and cell number, and make me and my daughters in harms way.

I'm not sending my daughters to school today, and my husband slept at the hospital, because its just gotten too difficult to even pull out of our own driveway. And now, I have to deal with people calling me with threats.
I'm scared and cannot believe what my City -in which I have contributed so much of my love, time, money and leadership, has now done to me and my innocent family.

Sincerely,
Jill
